J. W. Luker, Gordon McMillan, Earl Garrison, Paul Atchison, and Donald Schwab.

THE SUPERINTENDENT

TO the Students of Levelland Junior High School:

I have appreciated very much the manner in which you have worked during the 1948-49 school year.

I think there has been evidence of an excellent school spirit in all your activities and I especially appreciate the business-like manner in which you have done your class work. Every time I have visited in your building during this year I have been favorably impressed with the quiet efficient manner in which you conduct yourselves in your classes.

I hope the things you have learned and the friendships you have formed during this year will cause you to remember always the experiences you have enjoyed in Levelland Junior High School.

Sincerely yours,

O. W. Marcom

Superintendent

THE PRINCIPAL

To the Student Body:

It has been a distinct privilege to work with such a fine group of students this year. I am expecting great things of you in the future.

Sincerely yours,
